Meeting Highlights from 5/20/24

- WHITEWATER LAKES - COTTONWOOD CT: KDHE approved both the wastewater and sewer plans. Upon that approval and the city engineers recommendation the city sent Mr. Wiebe & his engineer a letter for certain services and procedures to be followed during development. The council came to an agreement with already contracted Graber Backhoe on how to proceed.
- Victory T-600 Sweeper - Hanna presented a possible quote for this street sweeper. The council would like to investigate further but it looks good.
- City Attorney Greg Nye has resigned his position after 36 years.
- 2025 Budget Meeting with the Loyd Group is set for June 26, 7pm.
- Car Wash price will remain \$2.50.
- Thankful for all who helped with city cleanup following the storms.

Full minutes are posted on the city website whitewaterks.gov

North Butler 4-H Club January 2024 Meeting

By Julia Amend, Reporter

Ella Amend giving her project talk over Different Cattle Breeds.

Hope and Rustin McLaughlin gave project talks over Zoom.

The North Butler 4-H Club's monthly meeting was held on April 8, 2024 at Emmaus Church. This meeting was our exchange meeting with the Towanda Rustlers. Towanda Rustlers did their business meeting first. Then, North Butler's meeting was called to order by President, Caleb Klingenberg. Roll call was answered by saying "One place you have gone to for vacation is". This was answered by 13 members. Minutes were read by secretary Hope McLaughlin and Treasure's report was given by Ella Amend. Julia Amend gave the reporter's report. In the leader's report, Debora Claassen reminded everyone that the last day to sign up to add/drop projects for the fair was May 1st and upcoming paperwork deadlines. The club then sang "Happy Birthday" to Carson, Cora, Julia, and Kaira. The club also welcomed new members, Wally and Corbin, to the North Butler 4-H Club. There was no old business. In new business, the club voted to move the next meeting to May 6. Meeting was adjourned. To begin the program, Ella Amend did a project talk about "Different breeds of Cows." Then, Towanda Rustler's members read a K-State Bill Synder short story and silly poem to both clubs. Refreshments were served by the Amend and Miller Families.

TO: *Ben & Dar Sweazy*

who has helped several locations in town create a more professional look with custom lettering, addresses and signs.

Thank you!

NEWS FROM THE MANOR

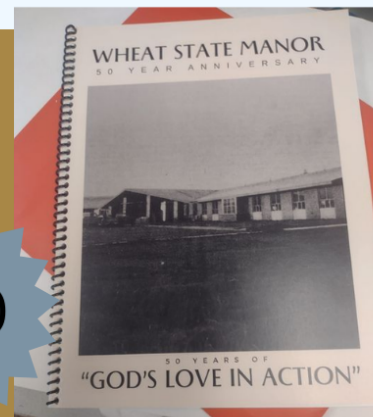

June 2024

CELEBRATING 50 YEARS OF GOD'S LOVE IN ACTION

Wheat State Manor celebrated 50 years of being in business on June 2, 2024. Still owned by nine local churches. The community, past and present board members, past and present employees, owner church members and local dignitaries came together to celebrate with cake, ice cream, and punch and most of all good fellowship. Thank you, Whitewater and surrounding areas for 50 years of support

\$10

If you would like to purchase one of these commemorative books, please contact Wheat State Manor by June 28.

Thank you to those that made donations to make this celebration possible

COMMUNITY SHINES BRIGHT THROUGH THE STORM

Following powerful winds and rain Sunday May 19th the City of Whitewater showed why it is "A Little Town With A Big Heart".

The very evening the storm blew its way through Whitewater and the surrounding area folks were out starting to assist with cleanup.

Trees snapped, large branches falling on cars, debris filling the streets and so much more required all hands on deck and the citizens of Whitewater responded.

Special thank you to all who stepped up from the City, Whitewater Fire Department, those who had chainsaws, trucks, trailers and everything else needed to help clean up and or fix the damages. The solidarity to restore our neighborhoods did not go unnoticed and everyone is so grateful.

Whitewater River Consolidated Fire District

The Whitewater River CFD responded to 19 calls for service in the month of March, 13 calls for April and 25 calls for May. This year we have responded to a variety of calls including about 26 call that we have assisted our neighboring fire departments with Automatic Aid and Mutual Aid. We have received Automatic Aid and Mutual Aid for approximately 18 calls from our neighboring fire departments.

During structure fires, it is not unusual to receive Automatic Aid and/or Mutual Aid from 4 to 6 different fire departments. Without these Automatic Aid and Mutual Aid Agreements, our fire department and most of the other surrounding fire departments would not have the manpower or water supply to mitigate the calls for service we respond to.

The past two rural structure fires in Whitewater's response area have required numerous surrounding fire departments assistance with manpower and water supply. The structure fire in the first part of March required approximately 33,000 gallons of water to be delivered to the scene via tanker shuttle, which included Newton Fire/EMS, Sedgwick Fire, Walton Fire, Halstead Fire, Hesston Fire and Whitewater's two tenders. Most of these tankers made several trips to resupply with water that morning.

The structure fire towards the end of April requested approximately 15,000 gallons of water to be delivered to the scene via tankers. Departments that assisted on this fire were Newton Fire/EMS, Walton Fire, Sedgwick Fire and Benton Fire.

Most volunteer department are lacking in volunteers just like Whitewater River CFD is, so it is imperative to have good Mutual Aid and Automatic Aid Agreements as well as good working relationships with our surrounding departments. Without the help of our neighbors, we could not do our jobs safely, effectively and efficiently.

The Whitewater River Consolidated Fire District purchased a new Zoll AED in August of 2023 purchased with memorial money and donations. We recently received a Memorial in the name of Robert (Allan) Lister who passed April 2, 2024. Allan Lister, as most of us knew him as, served the Whitewater River Consolidated Fire District from January of 2004 through December 2006. He also served on the Wichita Fire Department for several years in the early 1960's.

The Whitewater River Consolidated Fire District Volunteers decided to purchase another AED with money received from Allan Lister's Memorial as well as other Memorial money received in the past. Thank You to the Lister Family as well as Families from previous Memorials for keeping the Fire Department in mind. These are pieces of equipment we hope we never have to use but recently our other AED has been used way too often.

If you (male or female) are interested in volunteering a few hours a month, feel free to stop by the District Office, come to a fire drill or call (316) 799-2121 to see what it's all about. Our fire drills are the 1st and 3rd Wednesday of each month at 7pm, either at the District Office or the Whitewater Fire Station.

Mayor Gragg's Sidewalk Campaign Realized

PHASE 1 of Sidewalk Revitalizing Along Main Street has begun. The work got its start at Central and will continue south to the Sunflower Apartments. The sidewalks along the west side of Main Street will be replaced or corrected by Pope's Concrete and Construction, LLC.

MANY OF YOU MAY HAVE BEEN ASKING WHY DO I HAVE TO FILL OUT THIS FORM?

(The form on the next page, which has been in the newsletter for months.)

This form is to help the city meet the requirements set by the State of Kansas & KDHE (Kansas Department of Health & Environment).

Every city in Kansas is required to develop a **Lead Service Line Inventory (LSLI)** and submit this inventory to KDHE by a deadline set for October 2024.

When you fill out & return the form to the city; that assists City Maintenance as they compile that information into an inventory for our city.

If we have not received a form from you by the end of August we will deliver a form to your house.

ATTENTION WHITEWATER RESIDENTS

Dear Whitewater Resident,

The Environmental Protection Agency (EPA), in conjunction with the KDHE, are REQUIRING all Public Water Supply systems to conduct a Lead Service Line Inventory of both the public and privately owned water services within our jurisdiction. Please know that the City of Whitewater currently & in the past has not had any lead issues within our water supply.

We need your help in providing the privately owned (customer side) information through the survey found below. This information is crucial for us to complete our systems material evaluation. **Please fill out the survey to the best of your knowledge and return it to the City Office. Any questions or need assistance in filling out the survey can be directed to the City Office at 316-799-2445.**

If you are a renter and are not capable of filling out the survey, please return the survey with your address as well as your landlord's name. This will help us to contact the correct person for your address. Thank you.
